- Study texts and other resources have this icon

The image shows two screenshots from a learning management system. The left screenshot displays a course overview for 'Introduction to First Aid' under the category 'Injuries and Environmental Emergencies'. It lists 'Study text: Introduction to First Aid' and 'Other resources: Introduction to First Aid'. A blue circle highlights the document icon next to the study text, and a blue arrow points from this icon to the right screenshot. The right screenshot shows the detailed view of the 'Study text: Introduction to First Aid'. It features a title bar with a gear icon and navigation arrows. The main content is titled 'Basic Emergency Action Steps' and includes a list of points: 'Many injuries or illnesses do not require any life-saving efforts...', 'health emergency is usually a very stressful situation...', and '4 basic steps in an emergency are:'. The steps are: 1. Perform Primary Assessment and start BLS (if needed), 2. Get Help, 3. Perform Secondary Assessment, 4. Provide First Aid (if needed). At the bottom, there is a 'Jump to...' dropdown menu and a 'RECOMMENDED RESOURCES' link with a right-pointing arrow. A blue circle highlights this arrow, and a blue arrow points from it to a text box at the bottom right.

The arrow takes you to the following/next page
